

# SCHOOLS OUT NEWSLETTER

## JULY 2021

Welcome to schools out. Thank you for choosing to use our holiday service. Despite the difficulties that we are all facing, we are hoping for a lovely summer, with plenty of good weather so that the children can benefit from the wide range of activities on offer.

On the back of this page you will see our holiday programme. This holiday programme has been drawn up through consultation with the staff and children and follows government guidelines for our service. However, it is subject to change due to COVID, weather and new events becoming available etc.

Schools Out opens at 08.00am and closes at 5.45pm Monday - Thursday and 5.30pm on a Friday. All children must be checked in on the register by parents as soon as they arrive on site. Please identify yourself at the open window and wait until the buzzer has been answered by a staff member and send your child down. Please let the staff member in charge of registration know about any changes that need to be made to the contact details, as well as other relevant information that we should know including details on any changes to who will be collecting your child at the end of the day. It is very important and the parent's responsibility to ensure that you have applied all day suncream before arrival, and that your child is also carrying suncream in their bag. Your child should come to the service with plenty of juice, their packed lunch and wearing appropriate clothing for the weather. Please remember that if you do not arrive by 9am we may have already left for the day and that you will still be charged.

The best number to call during the holidays is the main St Ninians line on **0141 950 2497**. The mobile number is **07901385999**, but please remember it is best to call the main number as the staff will be on trips and supervising children. Please leave a message and the staff will get back to you as soon as possible. The staff have been working hard within the current limitations to make your child's summer the best we can. Please do not hesitate to speak to a staff member if you need any more information on how we plan to operate etc.
