**COVID-19 Action Plan 2020-2022**

This action plan is in response to the Covid-19 Pandemic. Our focus is on the safety and wellbeing of all users and staff. We wish to maintain our high standards, and to achieve this we are focussing on areas of development and improvement that reflects and responds to this pandemic. Acknowledging that the out of school care sector is faced with many challenges and the need for organisational change is the foundation of our plan. The priority of this plan is to focussing on our service provision, with and aim to achieve the highest possible level of care historic to the organisation. This plan will focus on 3 main areas for development:

1. Health and wellbeing of service users, staff and the local community:
  - a. Communication information sharing
  - b. Service provision
  - c. Reflective practice
  
2. Safety with the setting:
  - a. Health & Safety, Risk Assessments, Govt Legislation, Equipment, Minority and vulnerable groups
  - b. Medical Procedures

### 3. Business Impact and Response due to Covid-19:

- a. Financial Sustainability
- b. Supporting all employees including students and volunteers personal development
- c. Policies & Procedures changes embedding Covid-19 into service delivery
- c. Training & Recruitment (safe recruitment, training, flexible staff)

<b>Action theme 1: Health &amp; Wellbeing of Service Users, Staff and the Local Community</b>			
<b>Task</b>	<b>By who</b>	<b>By when</b>	<b>Progress indicator</b>
1.1 Communication and information sharing – Adapt the service and encourage staff to use a wider range of communication methods that acknowledges government guidelines on safe distancing etc. but also ensures that parents are kept-up-to-date with service delivery.	Managers in partnership with all employees	March 2020 onwards	Updating current communication methods including ensuring that we have an up-to-date website and newsletters. Setting up and encouraging attendance at zoom meetings. Using survey responses to support an understanding of the success and failures of our methods of communication and identify new methods of communication.
1.2 Service provision - The service should continue to support the mental and physical wellbeing of staff, children and their families. To support this the service will access initiatives that will help families through Covid-19 to experience some positive experiences both individually and as a family	Dedicated task group	Ongoing	The service will access funding that will provide activities online and also provide food and activities for families during periods of Lockdown.
1.2.1 Flexible employment for staff	Management		Where required the service will signpost and support staff

<p>1.2.2 Students – The service should continue to support parents returning to further education.</p>	<p>Management</p>	<p>Each term or as and when required/requested</p>	<p>struggling with the pandemic. Where possible and practical a flexible employment approach will be put in place.</p>
<p>1.2.3 Care plans reflecting vulnerable children</p>	<p>All relevant parties</p>		<p>Students should be encouraged to access funding to support their childcare needs. This support should acknowledge the difficulties experienced by minority groups in accessing funding.</p>
<p>1.2.4 Premises – Additional sourcing of premises should be undertaken to ensure continuity of care in the event of school closures. Premises should also be adapted to apply with government and professional bodies recommendations for a return to safe practice when services reopen/</p>	<p>Management</p>	<p>March 2020 onwards</p>	<p>Correspondence with local authority, users and the Care Inspectorate</p> <p>Government guidelines and legislation being met</p>
<p>1.3 Reflective practice should acknowledge the limitations of the</p>	<p>Management</p>	<p>As opportunities</p>	<p>Task group focusing</p>

<p>changing service provision, and listens to and acknowledges individual family needs and concerns working together for the best outcomes.</p>		<p>arise</p>	<p>on opportunities that are available to gain a clear understanding of parents concerns and needs. A variety of data collection methods should be accessed to provide a fuller picture of the effects of the pandemic on the service provision and parent and children's concerns.</p>
