

Dear parents

As you have been aware through our newsletter T.A.S.C. are aiming to achieve the LGBT charter. This charter is important to us. We aim to tackle discrimination, so that all children from all backgrounds including LGBT are accepted and included.

We aim to promote this acceptance through providing child appropriate resources and involving children in activities that discourages discrimination of any type. To support this all of the staff have underwent LGBT training. To achieve this charter we will be gathering evidence that supports inclusion. This evidence will be from a range of resources, artwork and displays. All children will be given the opportunity to take part in these activities. We also aim to provide in each unit a resource book providing links to support parents/carers and their families.

SURVEY MONKEY: Can we ask that to give a true reflection of the organisations users that could you spare a couple of minutes to complete the following short survey <http://www.surveymonkey.co.uk/r/DZL76YW>

I hope you will support us to achieve this charter. Please contact your Unit Manager if you require further information.

Regards

CHRISTINA GRAY

Service manager
