Hi Everyone.

WELCOME BACK - to all families. We hope you had an enjoyable summer break. Welcome also to our new primary 1 children who are settling in well and to all the new families joining us this year.

SUMMER HOLIDAY - We

hope the children who attended the holiday service enjoyed the activities on offer. Unfortunately the weather was not kind to us this year and some of the trips were cut short due to bad weather. We always welcome any feedback from both children and parents on improving the holiday programme, so please let us know your thoughts on the summer service and it's activities.

UNIT UPDATES- Due to increased demand for the service we have employed new staff and would like to welcome them to the team. There has been a lot of staff training taken place recently with many of the staff now undertaking more professional development in attaining the next levels in SVQ

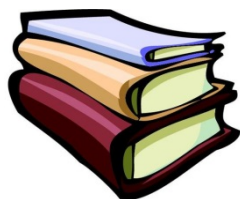

St Ninians- Jacqui will be appointed as manager at this unit and she also embarks on undertaking the SVQ4.

St Clares - There has been a significant rise in demand for the service particularly from **Camstradden**, therefore a new pick up worker has been employed

Knightswood - As always Knightswood is a very busy

unit and is currently running the primary one club. Antonine - Antonine has some places available and is keen to support adults back to work or education. If you know anyone needing childcare to support this then contact Yvonne the manager for help with your childcare costs.

RECORD UPDATES - All parents are required to update registration forms and children's care plans.

FEES- These should be paid on the first day your child attends each week. We cannot allow arrears of more than two weeks or you will be asked to leave the service. Please refer to our fee policy. If you do not have a copy please ask a member of staff for one. The annual £5.00 registration fee is also now due. Students must provide proof that the college are paying the childcare costs before we can give your child a place.

TAX CREDITS- Please see the unit managers about your contract and how much tax credits you should be claiming based on your yearly average. If you have claimed to use the summer service for example and did not use it you will be required to pay back the childcare costs. The Inland Revenue frequently contacts the service to ensure people are paying the amount that they are claiming.

SEPTEMBER WEEKEND- the service will be closed on Friday 25th and Monday 28th September

OCTOBER WEEK - We will operate the full day service from Monday 12th to Friday 16th inclusive at the St Ninians unit. The cost of this service is £24.00 per day. The website will be updated with the holiday programme in due course.

Please remember to join us on
