Hi Everyone.

This newsletter focuses on a very proud achievement for our organization. The company first opened in April 1995 twenty years ago. To celebrate this momentous occasion we have hired The High School of Glasgow and will be using their fields to provide free family activities on Saturday 15th of May between 2pm - 5.45pm. The children who attend the service will be issued with a voucher entitling them to Burger chips and juice, and there will be places open for the adults and children to access refreshments. This event has been part funded by the Big Lottery Fund.

So what's planned?

So far we have:

Music
Bouncy Castles
Gladiator Castle
Face Painters
Beauty Stop Off
Family Fun Time

We have still to finalise other details. In order to organize everything, could you let your own service know of your intention to attend, and how many adults and children will be in your party. Remember you are responsible for the supervision of your own child. If you wish to purchase additional food vouchers at £3 per head you can do so, but only before the 30th of April and payment is needed at the time of booking. This deadline I'm afraid will not be changed. You will be issued your vouchers in an envelope on the day.

If you have any suggestions, or can add to the event in any way, either personally or with recommendations, then we would love to hear them.

Christina
