HOLIDAY UPDATE

We are currently updating our summer holiday programme now that we have access to coaches from Class connections. Suggestions for trips are always welcome from children and parents. We are making plans based on what the children's most popular activities were in a survey of last years holiday programme but welcome new ideas.

SUMMER DIARY

Bookings are now open for the summer, and must be made by the 12th June. When placing your booking your first 2 weeks fees must be paid for in advance.

Due to renovation work in St Ninians places are limited and are on a strictly first come basis and won't be accepted without booking forms and payments. When places for certain days are filled this will be shown in the events diary online. The cost of this service will be £24 per day. When the new school term starts in August the After School Care fee will be remain at £10 per day.

WARNING

ALL CLAIMS FOR WORKING TAX CREDIT ARE CURRENTLY BEING CHECKED BY THE IR. As a service we take our role responsibly to ensure that claims for students and the IR are accurate. If you are unsure of what you have claimed for please speak to a staff member who will show you a copy of your contract

CARE PLANS

Care plans are statutory and must be reviewed every 6 months. We ask all parents to support us and ensure that these are completed and updated appropriately before the new school term.

CONTRACTS

You will be issued with an updated contract when you register for next year. Please again remember that if you claim you use the holiday service then to protect yourself and the organisation you must use this service. All parents must sign the contract even if they are not claiming WFTC.

This contract like all other childcare services contracts, is to ensure that the users are aware of the terms and conditions of their registration and use of the service.

**PLACES FOR THE NEW TERM
AUGUST 2015 - JUNE 2016**

Due to overwhelming demand places will only be held for current service users until Monday 15th June. After this period places will be given to new starts. If you require a place it must be taken at the start of the new term. If you are a student please speak to a staff member.
